S. E. WI COUNCIL OF HIGHER DEGREES

The Councils' main responsibility and goal is to aid the Lodges, Chapters, and Moose Legions in the retention of active dues paying members through personal contact. Our Council members run various social programs and do a fair amount of fund-raising as well. Support of Moose Charities initiatives and our fraternity in general is often very rewarding as done by these groups. After all, they are made up of past and current leaders who believe in our cause and know our needs and how to fulfill them.

Additional, the Councils normally have an annual banquet and/or other events to honor those new degree holders who have advanced in the past year. These events recognize the individuals and offer a chance to publically thank them for their services among their peers. This in itself promotes benevolence and charity among all members.

As members of the Higher Degrees, these groups are generally in the forefront of support and promotion of Moose programs and lead the cause of fraternalism by example. These groups, at the Chapter, Lodge, and Moose Legion level, may meet as often as desired to socialize, work towards building membership strength, raise funds for Moose Charities and help with various other fraternal endeavors.

Please fill out the attached application and make your check payable to S.E. WI Moose Council. Mail your check and application to Ron Horner, Council Sec/Treas., 7114 97th Ave. Kenosha, WI. 53142. For any questions, please call (847) 337-2777 or email info@kenoshamoose286.com.

A portion of your dues are dedicated to the cost of mailing birthday cards to Moosehaven residents.

Any Moose members that hold higher degrees can become a member of the Council of Higher Degrees. A council year is January till December. These meetings are quarterly and are usually held in conjunction with the WI Moose Legion #31 meetings. All council members, as well as the lodges and chapters are sent a reminder of our meetings. Come and enjoy a light lunch, share camaraderie with fellow degree holders and learn about what the council is doing.
