## ADMINISTRATORS CORNER

Well everything is on hold again till May 26th per Governor Evers "Safer at Home" directive. I hope this will end soon, but our new normal will probably not be anything we have been used to in the past.

The board of officers have been discussing this situation in length to be ready for what comes next and to be ready to open again. They are doing a very good job in preparing for just about any scenario that comes up for us.

Social distancing will play a big role in what we can and cannot do in the future. Social events, bands and bingo may have to change dramatically or not happen at all. Time will tell.

We have scheduled some events in the future so you know what to expect to some degree. Partial list to the left.

One bright spot is our Friday night fish fry. Victoria's is doing drive thru only from 4:30 pm till 7:00 pm. Menu and specials will be sent out via e-mail on Wednesday or Thursday of each week. Contact Vicky at 262-620-5759 on Friday to get your dinner pickup times.

Our June Moosefest event has been postponed till August for now. Date will be posted in June or July as to when in August.

Remember our kid's at Mooseheart and our senior's at Moosehaven, they need your support even more now.

Watch our web-site at [kenoshamoose286.com](http://kenoshamoose286.com) or [mooseintl.org](http://mooseintl.org) for more updated information.

Fraternally yours,  
Richard Smart, Administrator

## GOVERNOR'S CORNER

Well another month of being safer at home is here. The numbers are looking like the virus is subsiding now but there are the warnings about it coming back again in the future. We will keep you all posted on what we are doing here at the lodge and what we will do when we do open again.

Moose International convention has gone virtual and will be on-line. The big "One Moose" vote will be done on-line as well. All candidates and past Governors will have to log on to vote for this historic change. This is an exciting time in the future of the Moose. At the Lodge level we are still in decent shape financially. We can hold on for a couple of months more if needed.

Special thanks to Miss Judy Schaffer for her generous donation to the lodge to help keep the lights on.

Everyone please be safe and see you soon.

Thank you,

Sincerely, Mark Schneider, your Gov.

## NEWS FROM YOUR SENIOR REGENT

Well, here we are in May, your new officers should be taking their positions on the board, but here we are, "Safer at Home." Hopefully we made you proud this year, we worked our booties off, even though we were sidelined for the last couple of months. Most words escape me right now, so I thought I could share my musings from Mid-Year Conference.

These next years will be ones of great change. Change is inevitable and does not come without discomfort, but it is completely necessary to stay relevant, to keep going forward. Doing things a certain way just because that's the way we've always done it is not an answer or an excuse. It laziness. It's the inability to accept that there might be a better answer out there. A stubbornness to be open to new ideas. Guess what, new ideas can work with old ideas or alone. They can help us raise more money than we've raised before for the children at Mooseheart, the seniors at Moosehaven and those less fortunate in our communities. Finding new ways to attract new members through social media, younger members to take the weight of the more physical tasks that are becoming more difficult to do. We look to our past to create our future. Mentoring without judgment, leading without pushing. Understanding that there might be new ways of doing things or that times are different now and something that might not of worked at one time, might be something that a new generation will embrace. Remember that the only thing that is constant is change. Thank you.

**Fraternally Yours,**  
**Kellee K. Chwala, Sr. Regent**
