ADMINISTRATOR'S CORNER

This my final article for the lodge newsletter. Diane and I are moving up north to our childhood home of Ashland to retire. It's been a good run and fun for a majority of my time here. Good friends and moose members all of you. We will miss you all.

The lodge is in good hands and is moving forward in the fraternity. We have a good staff, officers and stewards. New ideas and events are on the horizon and we will still have fun at the lodge. Patronize your lodge so we can be here for another 100 plus years.

We will be coming back from time to time to see you all again. We will not be strangers. This is our home lodge as well. We will be officially DMO's now. lol

Good luck to all of you and stay safe, you too Joe. This not goodbye but we will see you all again very soon. God bless you all.

Fraternally yours, your past Administrator, Richard Smart

St. Patrick's Day fun fact

Traditionally, the color green represents Ireland, or the Emerald Isle. However, according to legend the color green also has the magical power to make people invisible to leprechauns or other fairy creatures. That means that wearing green can save you from getting pinched by these mischievous fairies. If you don't wear green on St. Patrick's Day, WATCH OUT!

If you move, are planning a move or going away. please call the Lodge or drop a note in the office door with your new or temporary address.
