Private Policy: Some Details And Clarification On Its Importance

The Private Policy of The Moose is often misunderstood. When this policy is ignored, the lodge and our Fraternity are put at risk.

KNOW THE
RULES?

QUESTIONS?

Call the Compliance Department, 630-966-2207 or fax 630-966-2208.

The Private Policy of The Moose is often misunderstood. When this policy is ignored, the lodge and our Fraternity are put at risk. Being selected for membership is an honor and a privilege which should be protected by all. One of the ways to do that is by adhering to the Private Policy.

The Private Policy is simple: Either you are a member of a lodge, or you are a guest. A guest is defined as anyone who is not a member of the lodge, which includes a member's spouse if he or she is not a member.

Guests:

- Must be signed in when entering the lodge.
- May not make purchases.
- Must leave when the member leaves.

Members are responsible for the decorum of their guests at all times. A member may be brought before the board of officers if an incident occurs involving their guest which results in an incident report. Remember that each lodge gets to vote on applications for membership and choose who they wish to join their lodge and our Fraternity. This is the backbone of a private organization.

A lodge member is in arrears on his or her dues immediately after the expiration of the month during which their dues were to be paid.

When in arrears, a member:

- Is considered "not in good standing."
- Cannot attend lodge meetings.
- Does not have social quarters privileges.
- Becomes a guest after 12 months.

Members are responsible for knowing their dues date and paying them on-time. A lodge that serves food or drink to an expired member is putting their private status at risk.

It is imperative that we are diligent in checking membership cards, selling merchandise only to members and only allowing access to members, their immediate families and qualified (invited and accompanied) guests.

Other than for lodge business, the use of the lodge facility must be limited to "recognized" community service functions, for which dispensation must be obtained from the Chief Compliance Office, and for legitimate family social occasions.

Be proud to be a Moose and show your card when asked! ■

NEWS FROM YOUR GOVERNOR

Greetings everyone,

We have had a fantastic month in our lodge. Thanks to everyone for your support. A shout out to our volunteers and bartenders who have done an outstanding job. We have made great strides in getting our social quarters back open and getting to listen to fantastic bands again on Friday nights. Please understand that our membership dropped significantly during the Covid pandemic and I thank everyone that has signed up a new member into our fraternity. Also remember that the \$20 application fee is waived till July 31st. This is a great time to sign up friends and family to our order and support our kids at Mooseheart and seniors at Moosehaven and of course our lodge home. As always we are looking for volunteers to help us out whenever possible and make our lodge grow and become a pillar in our community again. We have been in Kenosha for 111 years and will continue to make a difference. Thanks again for all your support.

Fraternally yours, Brian Mifflin

MOOSE MEMBERSHIP

Hello Brothers and Sisters from your Your Moose Membership Chairperson, Kellee Chwala

Welcome to your Moose. There are so many changes and with change comes growing pains, but boy are we ever in the right time and place to grow! There are more opportunities to get involved than ever before, it's so great to be back open and see everyone starting to come out again. That's what we need the most right now: YOU! When you are ready and when you are comfortable, come back and see us, be it inside or out, we are looking forward to having you back. Live music is back as well. Make sure you check your emails to see when and where on property the music is playing. Looking forward to bonfires and warm nights outside, who knows, maybe even a movie under the stars again!

Remember membership is key to our survival. Who do you want to spend time with? Invite them in. Who could use some time out with friends? Invite them in. Who would you invite to sit around your dinner table? Invite them in. Inviting a friend to see what the Moose is about is something special. Can you remember the first time you came through those doors? Was it as a guest? Did it feel different than the local bar? Were you greeted warmly? I sure hope so!

Reminder:

The Lodge meetings held on the 2nd & 4th Tuesday of each month can now be attended by ALL Men and Women. Let's start the NEW ONE MOOSE year off by attending these meeting and being part of the operation of the Moose Lodge.

What an exciting time to be a Moose! First off, thank you so much for renewing and adding new members. We were at a plus 6 for last year, we were negative 76 on April 5, but we did it! That was huge, so thank you! Once final grading is done I hope to be able to share we've made our Award of Achievement, so fingers crossed.

Mark your calendar for February 12, 2022 when our Prohibition Night takes on Valentine's Day... it'll definitely be a night to remember!

WEEKLY SPECIALS

AmazonSmile is probably the easiest and convenient way to support Mooseheart or Moosehaven while you shop. You simply shop at smile.amazon.com, choose Mooseheart or Moosehaven, and Amazon will donate 0.5% of the price of your eligible purchases – at no additional cost to you.

Smile.amazon.com has the same products, same prices, same services as the Amazon you know, just with the added bonus of supporting your favorite cause. Since its start in 2014, Moose Charities has received just over \$15,000 from Amazon. It's amazing to think about the impact that these programs have made for Mooseheart and Moosehaven and what could be made by incorporating just one of these programs into an individual's normal shopping routine! I encourage you to give one (or all) of these awesome programs a try and to share them with friends, and even your neighbors next door who always seem to get a visit from an Amazon truck!
