## ENDOWMENT FUND

We have all donated to the endowment fund at one time or another and many have asked what is the Endowment Fund.

### The Endowment Fund History and Moose Foundation

The first donation was made to the Mooseheart Endowment fund in 1918 by Supreme Governor J. Albert Cassidy of Baltimore. The early leaders of the Loyal Order of Moose who were instrumental in establishing Mooseheart, the "Child City" were confident that as long as there was a Loyal Order of the Moose Fraternity, there would be a Mooseheart. However, even then these leaders envisioned the need for a trust fund to insure the future of the Mooseheart against any possible emergency. Soon after the fund was established a \$100 bequest in the will of Isadore Klein was received. This was the first bequest received by the Mooseheart Endowment Fund. The Moosehaven Endowment Fund was them established in 1935 after the receipt of two bequests to Moosehaven totaling \$3,481.

One of the many plans established to help expand the fund was developed by Director General Davis for every Lodge and Chapter to take up a "penny collection" at its regular called meetings. The first such collection was received from Martins Ferry Ohio Lodge 1532 in the amount of \$1.31 on January 5th 1920. The term "penny collection" has since been changed to "Endowment Fund Collection" and Lodges and Chapter now take up such collections, not only at regular meetings but at other functions and social activities. This includes the "Nine O'Clock Ceremony" and the "Cradle/Rocker Fundraiser" to bolster Endowment collections.

All Endowment Fund contributions from any Moose Association, Lodge, Chapter or Moose Legion are placed in the Mooseherat-Moosehaven Endowment Fund. In addition, many individuals make contributions to the fund through programs over the years such as: Endowment Fund Club, Gimme 5, and now the Donors Circle which recognizes these individuals with a pin for each level of giving they achieve.

### Moose Foundation Frequently Asked Questions

#### 1) Where does the money collected for the Endowment Fund go?

It is deposited by Moose Charities and transferred each month end into the Moose Foundation, a 501C3 charitable supporting organization.

The amount in the Endowment Fund/Moose Foundation fund balance is clearly stated in the financial statement. You can request an electronic copy of the IRS form 990 at no charge.

#### 4) Is there anywhere on your website that show how much is paid and to where the funds are paid to?

#### 5) Who decides on where the funds get applied?

All grants out of the Foundation are approved by the Moose Foundation Board, and are ratified by the Moose Intl. Board of Directors.

**WE HOPE THIS ANSWERS YOUR QUESTIONS AND HOPE YOU WILL GIVE GENEROUSLY GOING FORWARD TO THE ENDOWMENT FUND.**

Greetings everyone,

## NEWS FROM YOUR GOVERNOR

Another month gone by and here we are coming into the fall season. That means football and the Green Bay Packers. Come down to the lodge and cheer them on, or another team of your choice, at our exciting Packer Parties. Many thanks to Joe Matteucci and his awesome team for putting these on and raising money for our charities and lodge. Also, thanks to activities chairman Jessica Scroggins for obtaining many of the one of a kind football items for raffle.

Many improvements are taking place at our lodge including another new cooler in the bar area and numerous other projects in the planning stage. Thank you for all your financial support and especially those volunteers helping us out daily. Also remember to sign up at least one new or former member to be eligible for our Preferred member party in May. And if you sign up three, we will pay your dues for next year.

Thanks for being a Moose,

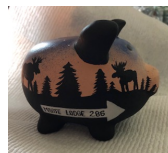

Brian Mifflin,  
President

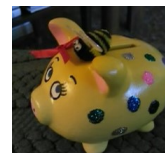

To raise funds for the General Account the WOTM have ceramic pigs which members can paint, then each month bring to monthly meeting filled with coins.

This a fundraiser with prizes.

### Membership

Remember the commercial many years ago, "membership has its privileges?" Do you know all of the privileges involved in having a Moose Membership? Yes, you might know that your card will allow you into any Moose home worldwide, but did you know that you are eligible for life insurance? Did you know that you receive Moose Rewards points for sponsoring new members, when members you sponsored renew their membership, if you hold an office and even for attending conventions and trainings? Did you know those points can be used to renew your dues, pay your registration to the international convention or even purchase merchandise from Moose Catalog Sales? Did you further know that Moose members receive discounts on hotels, rental cars, vision insurance, pet insurance and more! Many members find that using one of these benefits more than covers the cost of their annual membership. Are you using your membership to the fullest? I've included the links below so that you can further discover what your membership can do for you, there are also brochures available by the front doors.

Moose lodge locations: visit [www.mooseintl.org](http://www.mooseintl.org) and scroll down to bottom where it says find a lodge. Please always call to check lodge hours, as they vary greatly.

Light snacks, door prizes and the Membership Basket drawing will take place!

It should come as no surprise that the fraternity that cares enough about children to make Mooseheart a reality enters the 21st century with protection of children who use the Internet as a key concern. In 2008, the Moose entered into a partnership with the **Safe Surfin' Foundation**, a Virginia-based organization which has been a leader in attempts to keep the Internet a safe place for children to explore.

In addition to educating children and their parents on using the Internet safely, support provided by the Moose has enabled Safe Surfin' to expand its programs to furnishing law enforcement with computer equipment to be used to pursue Internet predators, as well as ballistic vests to protect officers while apprehending these criminals. Moose is also a strong proponent of the EZ Child ID program, which provides parents with an electronic file that contains personal information, electronic fingerprints, photographs and a video file of their children. This information is readily available to law enforcement if a child becomes lost or is abducted.
